## October 2018

## President's Report

The first meeting of the 2018-2019 year was a success, thanks to our excellent speaker Scott McGinnis, who spoke on “Process and Product of ASHRAE RP-1712; ASHRAE’s Design Guide for DOAS”. If you were not able to attend the meeting, you can download the presentation slides from our website. We are lucky to have a capable and motivated Programs Chair, and I would like to thank Dan Wine for coordinating our meeting schedule.

Coming up is our annual fall golf tournament to benefit ASHRAE Research Promotion, and our Research Promotion Chair Ermias Lamesgin has put together an exciting event. If you haven’t attended our fall golf tournament before, you will definitely want to join us the morning of October 15th at The Tribute. The event is a great opportunity to socialize with your support network of industry representatives and vendors outside of the office or to bring your owner or architect contacts and develop some more business. Everyone is welcome and will enjoy themselves and the weather is typically fantastic.

See y’all at the October 10th chapter meeting!

Kind Regards,

*Brandon Schann*

## YEA Update

Hi Fellow ASHRAE members! I want to thank Dwain Andrews, P.E. with Bartos Industries for sponsoring September's YEA Happy Hour at Sharky's Bar & Grill. It was a good turnout for our first happy hour of the year.

October's Happy Hour will be sponsored by Al Amerson with Texas AirSystems. The Happy Hour location will be Katy Ice House Trail located at 3127 Routh St, Dallas, TX 75201. Don't miss out on this great opportunity for networking while having a few drinks! So, please come join me and our fellow ASHRAE members at our Happy Hour October 10<sup>th</sup>!

Next month's happy hour will be sponsored by ADW Corp. We are working on the location and will get that out to you all in next month's newsletter.

Respectfully,

Koby Couron (KSCouron@lan-inc.com)  
Dallas ASHRAE YEA Chair

## Honors & Awards

### ANNOUNCEMENT: DALLAS CHAPTER TECHNOLOGY AWARDS

We want to recognize the best building projects in Dallas – is your work the best of the Big D?

**Are you proud** of a recent project you were involved in? Have you worked on a building project that was particularly **unique or challenging**? Were you able to solve a design challenge related to **efficiency, comfort, indoor air quality**... or a different challenge entirely?

The Dallas chapter is accepting applications for Technology Awards until **Wednesday, October 31<sup>st</sup>**. Winners will be announced at our November chapter meeting.

- Buildings must be occupied no later than September 1<sup>st</sup>, 2018
- Categories include:
  - **Commercial Buildings**(New, Existing, Existing Building Commissioning)
  - **Institutional Buildings**(New, Existing, Existing Building Commissioning)
  - **Health Care Facilities**(New, Existing, Existing Building Commissioning)
  - **Industrial Facilities or Processes**(New, Existing, Existing Building Commissioning)
  - **Public Assembly**(New, Existing, Existing Building Commissioning)
  - **Residential**
- First place winners will be automatically submitted to the regional competition

Complete applications (send to [pamela.duffy@lennoxind.com](mailto:pamela.duffy@lennoxind.com)) include:

- Single-page entry form (Available [here](#))
- System schematic/diagram not larger than 11” x 17” in size
- A brief narrative (maximum of 2 pages). The narrative should include:
  - The gross and net building areas applicable to the project
  - A description of the major building areas (i.e., operating rooms, laboratories, computer rooms, industrial processes, offices, warehouses)
  - A brief discussion regarding the following six criteria ( if a criterion is not applicable, state accordingly):
    - Energy Efficiency
    - Indoor Air Quality
    - Innovation
    - Operation & Maintenance
    - Cost Effectiveness
    - Environmental Impact

For questions, please contact Pam Duffy at
