

President's Report Marching onwards to Spring!

Hello ASHRAE Dallas!

We graciously hosted ASHRAE Society President Bill McQuade at our annual Panel Discussion focusing on ASHRAE's theme 'Healthy Buildings: Designing for Life'. Following Bill's keynote address, he joined our panelists Brandon Damas, Quentin Kliethermes, and Scott West. We would thank Texas AirSystems for hosting the event; ASA, BOMA, and TEXO and their members for attending, the ASHRAE Fort Worth Chapter and their President, Whitney Lampe for her dedication and effort; and, our Panelists for participating in such a great event!

We saw many friendly faces at the ASHRAE Winter Meeting and AHR Expo in Las Vegas. Vegas knows how to put on an event! Next year's conference and expo will be in Chicago. If you haven't been, it's a great event to attend. You'll see all of the manufacturers at the expo, attend technical educational seminars, and enjoy the hospitality events!

We have many events happening in February and look forward to seeing all of you! Our dinner meeting is on Wednesday, February 11 at Maggiano's at NorthPark at 6pm when we will host Kris Gonzalez, Regional Sales Manager at BRD Noise and Vibration Control. Kris will discuss Sound Control Codes and Standards. On Thursday, February 12, we have a Refrigeration Tour and YEA Happy Hour at Hop & Sting Brewery in Grapevine with the Fort Worth Chapter. On Saturday, February 14, we are joining DISD at their Stem Expo at Fair Park. All events are on the website so register today!

At the February dinner meeting, the ASHRAE Board of Governors and Student Activities Committee will announce our FE Exam Scholarship winners. Each student will receive a scholarship to cover the cost of the FE Exam. A huge thank you to Anthony Gonzalez and Morgan Laidlaw with our Student Activities Committee for this endeavor!

Other upcoming events are ASHRAE Region VIII President's Training at the end of February, our Spring Golf Classic at Rangers Golf Club on April 17, and the Chapter Regional Conference (CRC) in Little Rock in April.

Thank you to our Members, Board, Committee Members and Chairs, and all of our Guests and Volunteers for your support of ASHRAE and the Dallas chapter!

President Elect/CTTC Report

Hello Dallas ASHRAE Chapter!

Thank you to everyone who attended our joint IEQ Panel with Ft. Worth ASHRAE, TEXO, BOMA, and ASA. President Bill McQuade gave a keynote speech on the importance of IEQ. This was followed with an industry panel from some of our local engineers and contractors. We hope everyone enjoyed the presentation!

We are excited about our next dinner meeting on Wednesday, February 11th back at Maggiano's Northpark. We have had a last minute change in presenters and Kris Gonzalez with BRD will be filling in. He will give a presentation on Codes and Standard on Sound Control and How to Get What You Expect! We are excited to have him present and hope you all come out.

Check in starts and networking starts at 5:30pm. Don't miss this great presentation and great food!

INCOMING SPRING GOLF TOURNAMENT!

I hope everyone has stayed warm and safe through the recent winter storm! As we look ahead to spring, we're excited to share that our Spring Golf Tournament will be held at Texas Rangers Golf Club on Friday, April 17th, with an afternoon tee-off. It's always a great time, and we're looking forward to a fun day on the course.

Be on the lookout for team and sponsor sign-ups, which will be coming soon.

We are also currently seeking additional annual sponsors for our chapter. If you or your organization may be interested, we would love to connect—please don't hesitate to reach out.

Thank you for your continued support, and stay warm!
