

President's Report Welcome to the New Year ASHRAE!

Hello ASHRAE Dallas!

What a great December! We would like to thank Tim Wentz for visiting The Dallas Chapter during our ethics focused meeting and presenting on Managing the Construction Claim Process. Next, we had a volunteer clean-up event with the USGBC Texas at White Rock Lake Park. After that, we sponsored a Women in Construction and Engineering event which had over 60 attendees. And, last but not least, we hosted our Fall Golf Classic at Cowboys Golf Club.

Our next dinner meeting is on Monday, January 19 when we along with the Fort Worth chapter will host Bill McQuade from ASHRAE Society. There he will educate us with a talk followed by a panel on balancing energy efficiency with good IEQ.

On another note we've received word that UT Dallas will be rejoining us with their student ASHRAE Chapter! Looking forward to the greatness that can come from our continued relationship with the young engineers of UTD!

Thank you to our Members, Guests, Volunteers, Board of Governors, Committee Members and Chairs for your support of ASHRAE and the Dallas chapter!

President Elect/CTTC Report

Hello Dallas ASHRAE Chapter!

Thank you to everyone who attended our joint December lunch meeting. Tim Wentz presented on the Ethics of Disputes which focused on navigating ethics during the construction claim process. We hope everyone enjoyed the presentation!

We are excited about our next dinner meeting on Monday, January 19th at Texas Air System's office. ASHRAE Society President Bill McQuade will kick things off as our keynote speaker. He will speak on balancing energy efficiency with maintaining good IEQ. He will present practical solutions to enhance air quality, thermal comfort, acoustics, lighting and water quality in buildings. Following the keynote speaker, we will have a panel discussion of some of the leading engineers, contractors, and manufacturers representatives in the DFW area.

Check in starts and networking starts at 3:30pm. Don't miss this great presentation and great food!

INCOMING SPRING GOLF TOURNAMENT!

I hope everyone had a wonderful holiday season and a great start to the new year! As your Research Promotion Chair, I'm excited to share that our Spring Golf Tournament is scheduled for Friday, April 17th at Texas Rangers, with more details coming soon—be sure to mark your calendars. We are also actively looking for additional annual sponsors. Annual sponsorships come with many great perks, including increased visibility and year-round support of our chapter's mission. If you or your organization are interested, please reach out directly or visit our website for more information. Thank you for your continued support, and I look forward to an exciting spring ahead!
